

A Moment of Silence for Your Wedding Ceremony Option 14

It's All About The Ceremony!
www.weddingceremonypro.com

Bride and Groom are pleased that so many family and friends have come to witness their exchange of wedding vows. Each one of you has been important in their lives, and they look forward to your love and support in the future as they begin life as a married couple. They also wish to acknowledge family members and friends who are no longer with us physically, but whose gifts of love and friendship over the years will always be cherished and remembered. We are certain they are here today in spirit. In their memory, let us
be silent together.

(Moment of silence)
