

Spiritual Readings for a Wedding Ceremony

It's All About The Ceremony!

www.weddingceremonypro.com

Divine Spirit (Father, Lord), we know Your presence is with all of us here this special day of Bride and Groom's wedding and we give thanks. We ask Your blessing and love be with us during this ceremony and to especially fill the hearts of Bride and Groom as they pledge their love to one another. May the wisdom and spirit of all-giving and all-understanding Love pervade all the words spoken and all the love given here today, that these vows offered will remain strong and true and abiding in the presence of love all the days of their lives. May all of us present feel the strength and depth of Bride and Groom's love and experience a rebirth of the power of love in our own lives. We ask these things in the Name of the Divine Spirit and give thanks that it is so.
