May God bless you [May you be blessed] with Hope enough to keep
sunshine in your love, and Fear enough to keep you holding hands
in the dark;

May God bless you with Unity enough to keep your roots entwined,
and Separation enough to keep you reaching for each other;

May God bless you with Harmony enough to keep romance in your
song, and Discord enough to keep you tuning your love so it
becomes sweet music to all who may hear it.
