Bride and Groom, May your love and deep respect for each other sustain throughout the years to come. May your life together flow with peace and harmony. May your vows be fully realized and may you realize their own true nature together. May you both promise to do what you think to be right; speak what you think to be the truth; help others in what is fair, accept your mistakes without excuses for them. May you both accept full responsibility for your actions and reactions. May sincerity of this resolution give you both strength to fulfill your duties towards yourself and others. Amen.
