You've got a friend in me
When the road looks rough ahead
And you're miles and miles
From your nice warm bed
You just remember what your old pal said
Boy, you've got a friend in me
Yeah, you've got a friend in me
You've got a friend in me
You've got a friend in me
You've got troubles, and I've got 'em too
There isn't anything I wouldn't do for you
We stick together and can see it through
'Cause you've got a friend in me
You've got a friend in me.
