From The Vow

I vow to help you love life, to always hold you with tenderness and to have the patience that love demands, to speak when words are needed and to share the silence when they are not, to agree to disagree on red velvet cake, and to live within the warmth of your heart and always call it home.

I vow to fiercely love you in all your forms, now and forever. I promise to never forget that this is a once in a lifetime love. And to always know in the deepest part of my soul that no matter what challenges might carry us apart, we will always find our way back to each other.
