

## Jumping the Broom Ceremony Script Option 4

It's All About The Ceremony!

“As our bride and groom jump, they physically and spiritually cross the threshold into the land of matrimony. It marks the beginning of their making a home together. It symbolizes the sweeping away of the old and the welcoming of the new. It is also a call of support for the marriage from the entire community of family and friends. The bride and groom will now begin their new life together with a clean sweep!

The leap they take together over the broom is also symbolic. By taking the leap, they make a gesture of dedication to working together through the tough times ahead, as well as the easy times. They leave behind the past and jump into the future together secure in their love.

Everyone, please count 1, 2, 3... Jump! together with me now, and shout with joy as they perform their first act of working together as husband and wife;

1, 2, 3, jump!”
