

Spiritual Readings for a Wedding Ceremony

It's All About The Ceremony!
www.weddingceremonypro.com

Nothing is easier than saying words, and nothing is harder than living them day by day. What you promise today, must be renewed and re-decided tomorrow. At the end of this ceremony, legally, you will be husband and wife, but you must decide each day that stretches out before you, that you want to be married. Real love is something beyond the warmth and glow, the excitement, and romance of being deeply in love. It is caring as much about the welfare and happiness of your marriage partner as about your own. But real love is not total absorption in each other; It is looking outward in the same directions - together. Love makes burdens lighter; because you divide them. It makes joys more intense because you share them. Love makes you stronger, so you can reach out and become involved with life in ways you dared not risk alone.
