### Love Me *Walter Rinder*

Love me because I try to touch life within the framework of  
uncertainty  
Love me in the shadows in decisions as I strive to gain knowledge  
Love me in the silence of my hurts and the noise of my confusions  
Love me for the feeling of my heart not the fears of my mind  
Love me in my search for truth though I may stumble upon fallacy  
Love me as I pursue my dreams sometimes retarded by illusions  
Love me as I grow to know myself even during the times of  
stagnation  
Love me because I seek harmony not man's discord  
Love me for my body that I wish to share with affection, wrapping  
you in warmth  
Love me because we are different because we are the same  
Love me that our time together will be spent in growing, kindling  
the world with understanding  
Love me not with expectations but with hope I will love you the  
same.
