Life and love are the greatest gifts bestowed upon humanity.  
May your union grant you patience, tolerance, and understanding,  
as well as the passion and excitement every marriage should  
possess.

May you need one another, but not out of weakness.

May you want one another, but not out of lack

May you support one another, as a sign of mutual independence.

May you continually rediscover your love in one another as the  
greatest gift of all.
