

Marriage Blessing 3

It's All About The Ceremony!

Oh Great Power moving among us for love, may these two people now married, fulfill the covenant which they have made. May they openly give and take from each other, encouraging each other in whatever trials that befall them, sharing in each other's joys, helping each other as each occasion requires. Having grown to trust themselves and each other, may they not only accept and give love between themselves but also experience love and consideration for other in a community of sharing. Amen.

We who are here present, and those who are absent but thinking of Bride, and Groom, this day, hope that the inspiration of this hour will not be forgotten. May you continue to love each other through all your days together.
