

Marriage Pronouncement 16

It's All About The Ceremony!
www.weddingceremonypro.com

Today, Bride and Groom honored you with their invitation to be present with them today for this ceremony.

And so, this day, they declare before all of us that they shall live together in marriage.

In the traditional way, they entered into their marriage with the joining of hands, the making of vows and promises, and the giving and receiving of rings, an outward symbol of their voluntary commitment to one another.

Therefore, it is my pleasure, that I now pronounce them husband and wife.

You may now kiss your bride!
