

Marriage Pronouncement 36

It's All About The Ceremony!
www.weddingceremonypro.com

When you commenced this wedding ceremony, you stood before all assembled here as best friends and partners. Through the poignant exchange of wedding vows, you are sealed together in bond of holy wedlock as wife and husband. You may have kissed many times before, but now your kiss is a demonstration of your perpetual love and commitment to each other. Your kiss is also a promise to stand together during the happy times and during times of adversity. May you experience great love, joy and happiness as you walk through life together. May you also have the strength and perseverance to weather the storms that life may bring your way.

In celebration of your love and commitment to one another, you may now kiss the bride.
