

Meaning of the Wedding Rings 1

It's All About The Ceremony!

www.weddingceremonypro.com

The ring is an ancient symbol, so perfect and simple.

It has no beginning and has no end.

It is round like the sun, like the moon, like the eye, like arms that embrace.

It is a circle; for love that is given comes back round again.

Your rings are precious because you wear them with love.

They symbolize your commitment in marriage.

They remind you of who you are, where you've been, and where you're going.

As you wear them through time, they will reflect not only who you are as individuals, but also who you are a couple.
