

## Meaning of the Wedding Rings 8

It's All About The Ceremony!

A circle is the ancient symbol of wholeness and peace. It also represents the boundaries beyond which the specialness of a particular relationship does not extend. In the form of a ring, the circle is the accepted token of a marriage covenant. As these rings are fashioned from one of the earth's most precious materials, so may your love, nourished and sustained by the love of God, be the most precious and durable of the values you share. In giving and receiving these rings, you again acknowledge that your lives remain joined in one unbroken circle, wherever you go, you will always return to your shared life together.
