Oh, the Places You Will Go!

Author, Unknown

Congratulations! Today is your day. You're off to Great Places!
You're off and away!

You have brains in your head. You have feet in your shoes. You can
steer yourself any direction you choose. You're on your own. And
you know what you know. And YOU are the guy who'll decide where
to go.

You'll look up and down streets. Look'em over with care. About
some you will say, 'I don't choose to go there.' With your head full
of brains and your shoes full of feet, you're too smart to go down a
not-so-good street.

And you may not find any you'll want to go down. In that case, of
course, you'll head straight out of town. It's opener there in the
wide open air.

Out there things can happen and frequently do to people as brainy
and footsy as you.

And when things start to happen, don't worry. Don't stew. Just go
right along. You'll start happening too.

Oh! The Places You'll Go!

You'll be on your way up! You'll be seeing great sights! You'll join
the high fliers who soar to high heights.

You won't lag behind, because you'll have the speed. You'll pass the
whole gang and you'll soon take the lead. Wherever you fly, you'll
be best of the best. Wherever you go, you will top all the rest.

Except when you don't. Because, sometimes, you won't.

You'll get mixed up, of course, as you already know. You'll get mixed up with many strange birds as you go. So be sure when you step. Step with care and great tact and remember that Life's a Great Balancing Act. Just never forget to be dexterous and deft. And never mix up your right foot with your left.

And will you succeed? Yes! You will, indeed! (98 and $\frac{3}{4}$ percent guaranteed.)

Kid, you'll move mountains! So...be your name Buxbaum or Bixby or Bray or Mordecai Ale Van Allen O'Shea, you're off to Great Places! Today is your day! Your mountain is waiting. So...get on your way!
