### From Chasing Amy

“I love you. Very simple, very truly. You’re the epitome of every attribute and quality I’ve ever looked for in another person...I can’t stand next to you without wanting to hold you. I can’t look into your eyes without feeling that longing you only read about in trashy romance novels. I can’t talk to you without wanting to express my love for everything you are. I’ve never felt this before, and I like who I am because of it. There isn’t another soul on this planet who’s ever made me half the person I am when I’m with you. I’m forever changed because of who you are and what you’ve meant to me.” —Holden
