It's All About The Ceremony!

www.weddingceremonypro.com

From Star Trek Voyager

"Commander, I don't think you can analyze love. It's the greatest mystery of all. No one knows why it happens or doesn't. Love is a chance combination of elements. Any one thing might be enough to keep it from igniting — a mood, a glance, or a remark. And if we could define love, predict it, it would probably lose its power."

—Neelix
