From Twilight

"It's an extraordinary thing to meet someone who you can bare your soul to, and who will accept you for what you are. I've been waiting, what seems like a very long time, to get beyond what I am. And [now] I feel like I can finally begin...No measure of time with you will be long enough. But let's start with forever." —Edward

I do not claim to be the original author of this script. I am sharing it like this to make it easier for anyone to use.
