### **I Choose You**

*by Sara Bareilles*

Let the bough break, let it come down crashing

Let the sun fade out to a dark sky

I can't say I'd even notice it was absent

'Cause I could live by the light in your eyes

I'll unfold before you

What I have strung together

The very first words of a lifelong love letter

Tell the world that we finally got it all right

I choose you

I will become yours and you will become mine

I choose you

I choose you

There was a time when I would have believed them

If they told me that you could not come true

Just love's illusion

But then you found me

And everything changed

And I believe in something again

My whole heart

Will be yours forever

This is a beautiful start

To a lifelong love letter

Tell the world that we finally got it all right

I choose you

I will become yours and you will become mine

I choose you  
I choose you  
We are not perfect we'll learn from our mistakes  
And as long as it takes I will prove my love to you  
I am not scared of the elements I am underprepared,  
But I am willing  
And even better  
I get to be the other half of you  
Tell the world that we finally got it all right  
I choose you  
I will become yours and you will become mine  
I choose you
