

Opening Prayers for Your Wedding Ceremony Option 2

It's All About The Ceremony!

Because this is a special day, we want to begin it in a special way, and that is with a moment of prayer. I'm going to ask that you close your eyes and turn within yourselves. And now, call forth that divine presence from within you, knowing that as you do so, God's blessings are now being poured out upon you both. "Through the presence and power and the activity of God within you, we now see you blessed with an abundance of all good. We see your minds illumined by divine wisdom, your hearts quickened by divine love and your bodies purified and blessed with divine substance. This we do affirm through the power of the living presence of God within each of you." Amen.
