Let us go into prayer now as we close our eyes, resting in the quietness and the goodness within. Heavenly Father we give thanks for the miracle of life that you bestow upon us on this glorious day.

We give thanks as you weave the spirit of love throughout every heart, body, and mind within this gathering. May the blending of our hearts prepare us to remember the truth of Oneness as we bear witness to the sacred ceremony of marriage. May the radiance of joy on this special day, overflow with peace and harmony throughout the rest of Bride and Groom's life together as husband & wife. And may peace and harmony continue to expand, bringing joy to their families and friends and to all others who enter their home and circle of life.

In the name of the Father, the Son and the Holy Spirit...Amen
