

Opening Prayers for Your Wedding Ceremony Option 23

It's All About The Ceremony!

God, as you join us today, we ask for your blessings upon Bride and Groom as they unite in marriage. Let all their days together be happy and all their words to each other be sweet. Though their paths are intertwined, let them be aware of each other's separateness. Bless their home and allow it to be a place of joy and serenity. Remind them to nurture each other's body with mutual love, honor, and respect. Let their spirits dwell within. As they learn from one another, may they grow stronger as individuals and closer as a couple. And as their wedded life begins today with prayer, so may they continue it, praying for and with each other. Amen.
