The marriage of Bride and Groom is more than just the union of two people in love. It's also the joining of two families, of two sets of friends and of two patterns of life.

Who stands with this woman in support and blessing of this marriage?

Parents: We do.

Who stands with this man in support and blessing of this marriage?

Parents: We do.

As these two people join together in marriage, they ask for the support and love of not only their families, but of their friends as well. On this day, they ask that you be more than only friends of Bride or only friends of Groom.

They ask that you recognize their special union and welcome them both as your friends in your lives.
