It's All About The Ceremony!

The relationship between children and their parents is one that's often understated, yet very deep. And one of the rare occasions when it can be publicly acknowledged is at a wedding ceremony. On this occasion, Bride's parents proudly stand here beside their daughter representing her family. And Groom's parents proudly stands beside their son representing his family. They are displaying, for all of us to see, their individual and combined love for Bride and Groom.

Who brings this man and woman to be married to each other?

“We do.”

And are you all willing to sustain and strengthen this marriage by giving Bride and Groom the public commitment of your love and support through all the ups and downs ahead of them?

“We are.”
