

Ring Warming Ceremony Script Option 2

It's All About The Ceremony!
www.weddingceremonypro.com

At this time, I'm going to pass around the wedding rings. We call this a ring warming. We are asking that as you pass them you share your positive vibes, blessings and prayers. When they make their way back to the front Bride and Groom will exchange them and hopefully carry your love with them as they embark on their journey through life together. They are starting out as cold pieces of metal and they will return to them ready to exchange warmed with your love. Thank you!
