

Sand Ceremony 3

It's All About The Ceremony!

Today, this relationship is symbolized through the pouring of these two individual containers of sand.

One representing you GROOM and all that you were, all that you are, and all that you will ever be and the other representing you BRIDE and all that you were, all that you are, and all that you will ever be.

As these two containers of sand are poured into the third container, the individual containers of sand will no longer exist but will be joined together as one.

Just as these grains of sand can never be separated and poured again into the individual containers, so will your marriage be.
