Now join your hands, and with your hands, your hearts.

These are the hands of the one you love and adore.

On this day, you promise to love and honor one another for all your days.

Reaching out to the one you love, may you find strength.

Standing side by side, may you find partnership.

Sharing responsibilities and chores, may you find equality and ease.

Helping each other in daily life and works, may you find fulfillment.  
Loving each other through dark and light times, may you find power.

Look deeply into one another's eyes, now, and promise to always see one another through the eyes of love.

As you hold hands, may you warmly hold one another's hearts.

Our wish for you is that you build an extraordinary life together.

May your marriage be all you two would choose it to be!
