

The Rose Ceremony 11 - Mothers

It's All About The Ceremony!

It is only out of families that new families emerge.

Today, the flowers that are placed here symbolize your separate lives and that of your individual families.

Bride and Groom, you come to this moment from these families and the new emerges from the old, the present from the past.

I ask that you take these flowers, symbols of your appreciation, love, respect, and admiration, and present them to your mothers.
