It's All About The Ceremony!

Marriage is the celebration of coming together of two lives and it is a celebration of two people in love.

The love that Groom and Bride feel for one another is a seed that their parents planted in their hearts years ago and today it has blossomed.

Today, as they embrace each other in their love, they also embrace the families, which have come together on this happy occasion. As a sign of their love for their families, Bride and Groom would like to offer these roses, to their mothers as symbols of their eternal love.

These Roses are a promise that no matter how far away you are that you are not forgotten and that you are always in their hearts.
