

The Rose Ceremony 5 - Mothers

It's All About The Ceremony!

This wedding celebration is a joining of two unique families who stood separate until today.

Today we unite these families by the marriage of Bride and Groom.

Bride and Groom would each like to honor the separateness of their families and now, the togetherness, with the giving of a rose to their mothers.

They would also like to acknowledge the love and sacrifice that each mother has made to make her children who they are today – a man and woman who are ready to be in a committed, loving marriage of their own.
