

The Rose Ceremony with Parents

It's All About The Ceremony!

Some couples will give their "I love you" rose buds to the mothers as they walk out. For example, the groom would give his rose bud to his new mother-in-law and the bride would give her rose to her new mother-in-law and say something like, "I'm happy to be a part of the family, etc." It works best if the giving of the rose buds to the mothers is a surprise. It also works for dads!
