

Tree Planting Unity Ceremony Script Option 3

It's All About The Ceremony!
www.weddingceremonypro.com

Bride and Groom, with their children, will be planting this tree at their home, signifying the joining of their 6 lives together, the commitment that they made to one another, and the strength and nurturing each will provide to the relationship as they grow and mature together.

(Each adds a cup of the potting soil to the potted tree)

As we contemplate on how a tree changes and adapts through all seasons in order to continue to thrive and grow, we can see how this applies to a marriage as well. Bride and Groom, a faithful marriage endures the change of seasons, responding to the trials in darkness with trust and assurance in knowing that a new season is coming, where growth and fruitfulness rejoice in the light.
