

Tree Planting Unity Ceremony Script Option 5 - Re-Marriage with Family

It's All About The Ceremony!

We are here, in this beautiful place, to celebrate this beautiful occasion, as *Bride* and *Groom* vow to spend the rest of their lives together. The reading of the poem, *Thoughts In a Garden*, is very appropriate today, not only because we are in a thriving garden, but because of how it compares gardens to relationships and the different phases we go through. *Son* and *Daughter*, you are 1 ½ years into your marriage, starting your garden, showing us the hope we all have for lasting love and beauty. *Mother* and *Father*, after 58 years of marriage you show us that lasting love in deep, rich evergreens. *Bride* and *Groom*, you show us the changing seasons and the necessary work. Pruning encourages growth and after the dormancy of winter, there is always a vibrant spring, in all its glory.
