### Two Souls, One Life

Before the heavens and the earth,  
when we were still a part of the Great Spirit,  
You and I asked for a journey to be remembered for all time.

Out of Love our hearts desires answered and we were granted these  
lives.

Today, we fulfill that destiny and begin the journey of a lifetime.

We were once one soul, then we became two, and were born into  
this world.

We have lived lives Separate.  
Now, let us give thanks to the Great Spirit for loving us enough to  
allow our love for each other to be expressed.

Yesterday we were two souls, today we are one life.
