

**Tying of the Fisherman's Knot
Unity Ceremony Script
Option 5**

It's All About The Ceremony!

Bride and Groom are about to do something special to symbolize their love for each other by literally tying the knot.”

Each of these ropes represents your past, your own individual and separate lives before today. As you intertwine your ropes, you are joining your two lives into one, representing the present. The finished knot symbolizes your future, and how your love and marriage will continue to be strong.

Bride and Groom, please tie the knot.
