

Unity Candle Ceremony Script

Option 1

It's All About The Ceremony!

Bride and Groom, the two separate candles symbolize your separate lives, separate families and separate sets of friends. Please light the candles and that together you light the center candle.

The individual candles represent your lives before today. Lighting the center candle represents that your two lives are now joined to one light, and represents the joining together of your two families and sets of friends to one. "

Now you have lit a fire and that fire should not go out. The two of you now have a fire that represents love, understanding and a philosophy of life.

It will give you heat, food, warmth and happiness.

The new fire represents a new beginning - a new life and a new family. The fire should keep burning; you should stay together. You have lit the fire for life, until old age separates you.
