

Unplugged Wedding Ceremony 1

It's All About The Ceremony!

Ladies and gentlemen, thank you so much for joining us today. Before we begin the ceremony, I'd like to ask you to refrain from sharing anything about the ceremony on social media until the reception. Bride and Groom are coming together today before God in the celebration of their marriage and would like the focus at this time to be on the ceremony. Thank you. Let us begin!

I do not claim to be the original author of this script. I am sharing it like this to make it easier for anyone to use.
