

## Wedding Wine Box Ceremony 5 With Family and Friends and 2 Bottles of Wine

It's All About The Ceremony!

Like good wine, a great love will deepen and mature with age. As a part of today's ceremony, Bride and Groom have captured their thoughts leading up to this day in personal notes to each other. Also they have asked their parents (or best man/maid of honor or other loved ones) to compose notes as well, containing their thoughts and their most important piece of advice to the couple as they journey through life together. These notes will now be sealed in this box to be opened and shared together with a bottle of wine on a future anniversary celebration.

It is at this time I would ask the parents to come forward and place their note and a bottle of wine inside this box. These messages and wine will be shared by Bride and Groom on their 1st and 5th anniversaries.

And I now ask that Bride and Groom place their notes to each other with a bottle of wine they have selected to share on their 10th anniversary celebration. On that day, they will get to reflect on the events and emotions they shared on this wonderful day. They can also reminisce about all of the wonderful memories they will have made over the last ten years and dream of all of those yet to come.
