

Wedding Wine Box Ceremony The Time Capsule

It's All About The Ceremony!

www.weddingceremonypro.com

Bride and Groom have chosen as a couple to perform a Wine Box ceremony. This box contains a bottle of wine, two glasses, and a love letter from each to the other. The letters describe the good qualities they find in one another, the reasons they fell in love, and their reasons for choosing to marry. The letters are sealed in individual envelopes and they have not seen what the other has written. They've also chosen to include memories of their relationship (Ticket stubs, photographs, et..) You have created your very own "romantic" time capsule to be opened each year on your anniversary. Each year on their anniversary, they can drink the bottle of wine together and replace it with a new one. They can also add memories from the year past while they look at the memories they've created. Over a lifetime, you will hopefully have an impressive cork collection and a wonderful collection of momentos. I recommend that you keep the box in a place of honor prominently displayed in your home as a constant reminder of your commitment to each other.
