I feel like the luckiest woman in the world today, getting to marry such an amazing person. You are warm, kind, so smart, generous, loving, strong, and protective. And as lucky as I feel, I know that luck is what you make it. This is a relationship that we have built together, step by step, growing and nurturing it into the most beautiful love. I can't wait to find out what tomorrow may bring, to discover the ways I know I will feel even luckier and more grateful than I am today. I take you to be my partner, staying loving and true both in times of unexpected fortune and in times of unanticipated hardship, working by your side to make a lifelong love and marriage.
