

Wedding Vow Idea 39

It's All About The Ceremony!

www.weddingceremonypro.com

This is the start of our new life together. Tomorrow we will be a married couple, off on a brand new adventure. And like any good adventure, there are sure to be beautiful new things we've never seen before, unknown wonders we could never anticipate and exciting challenges. But even when our strength is tested, I know that we will persevere and our adventure will be even more wonderful than the journey that brought us to this place. I promise to always stay faithfully by your side, to be honest, loving and true, and most importantly to always, just in the nick of time, help you escape from fiery pits, imminent avalanches, or crocodile-infested rivers before the end credits roll.
