

Welcoming Words for Your Wedding Ceremony Option 11

It's All About The Ceremony!
www.weddingceremonypro.com

We are gathered here in this beautiful place to join together this man, *Groom*, and this woman, *Bride*, in marriage, a state instituted in love, occasioned by joy. Honored and renewed by each person who pledges themselves to each other. It is therefore, not to be entered into lightly, or, unadvisedly. It is to be entered into with praise and delight for it's inexpressible gifts. Let us be honest enough with ourselves to know that there is no true marriage, except the inward bond of trust and love that dwells in the hearts of Bride and Groom. Only the two of you will know what marriage exists between you – the outer forms are only signs and covers over the love of your hearts. We wish that you will find together, a richness beyond the wealth of money – a depth of soul that will make beautiful everything you do in life, both separately and together.
