Welcome! Friends and Family of the *Bride* and *Groom*, and thank you for being here on this important day. We are gathered together to celebrate the very special love between them, by joining them in marriage. All of us need and desire to love and to be loved. And the highest form of love between two people is within a monogamous, committed relationship. *Bride* and *Groom*, your marriage today is the public and legal joining of your souls that have already been united as one in your hearts. Marriage will allow you a new environment to share your lives together, standing together to face life and the world, hand-in-hand. Marriage is going to expand you as individuals, define you as a couple, and deepen your love for one another. To be successful, you will need strength, courage, patience and a really good sense of humor. So, let your marriage be a time of waking each morning and falling in love with each other all over again.
